Dear Team Success Families,

Welcome to the month of November. First of all, I would like to announce that we inducted eight HS students to our National Honor Society, while fourteen MS students became new members of the National Junior Honor Society. This is a great honor for each and every student because they have demonstrated excellence in the areas of scholarship, service, leadership, character, and citizenship. In addition, we inducted students in grades 3-5 into the Honors Club. Congratulations to all of those students!
