Principal's Message:

Hello Team Success Families! I hope you are enjoying the cool weather. We have so much happening here at school and I'd like to share some of it all with you.

First off, last month we inducted our National Junior Honors Society members. NJHS serves to honor those students who have demonstrated excellence in the areas of scholarship, service, leadership, character, and citizenship. In addition, we also inducted students grades 3-5 into the Honors Club. Congratulations to all those students!

Also inducted last month was our student council for Middle School and High School. They will be making decisions on things like activities and dances!

We are also excited to announce our first ever Team Success Middle School Soccer Team! Sports are such an important part of growing up and we are pleased to now offer soccer for grades 6-8.

At the end of October we celebrated Fire safety month with our primary grades and they got to view a presentation and tour an actual fire truck. Thank you to the Bradenton Fire Department for allowing our students to have this experience!

Also, good news for our East Campus! As of October 30th the new cafeteria is ready to go! Students in K-2 will now be eating lunch in the brand new cafeteria.

As the Thanksgiving break approaches, please remember that all students will receive a fall packet to complete over the break. This packet is mandatory and will be due the day the students get back!

And as always, feel free to contact me with any questions or concerns you may have. My door is always open!

Helping Kids Get Organized

- ▶ Organization is important for everyone. Talk with your child about how you organize things and how he or she can become organized.
- ▶ Provide materials -- such as an assignment log, notebooks, folders, a calendar, and other tools -- that can get your child organized.
- ▶ When your child is presented with a large task, help them break it into small ones and establish a plan and deadlines for each task.

C is for CHOICES.

According to Jim Fay, author of *Becoming a Love and Logic Parent*, giving children choices is more effective than making demands. He suggests...

- Never give choices if it might cause problems for you or anyone else.
- Give only two options for each choice, both equally okay with you. For example, *Would you like peas or carrots?* or *Do you want to do homework now or in 15 minutes?*
- If the child doesn't decide within 10 seconds, make the choice for him or her.
